A. Rich and Allen Curnow highlight that both the time and the moon are everywhere even in the most insignificant things. #litcomcumbres

06-Oct-11 02:17 | litnewlands

That this time of the day is used to reflect and think about what happened, with the silence and the moon present #litcomcumbres

06-Oct-11 02:17 | BeluGuilhamelou

My answer would be: Instead of making amends, try to be nice with people during your day so you can go to sleep relaxed! #litcomcumbres
